Headteacher Information

As we bring another vibrant term to a close at St. Andrew's, I am delighted to reflect on the many special moments we've shared, culminating in today's beautiful Easter Service.

Held at St. Andrew's Church and led by Reverend Cheryl, the service was a truly heart-warming occasion. Our children brought it to life with thoughtful Easter readings and joyful songs, filling the church with warmth and celebration. It was also a privilege to present the Headteacher's Commendations, recognising the outstanding efforts and achievements of our pupils.

Throughout this week's Collective Worship, our children have explored the traditions and deeper meaning of Easter, reflecting on the significance of giving and renewal. These moments of learning and reflection have enriched our time together as a school community.

As we step into the Easter break, I wish you all a restful and joyful holiday, filled with special moments with family and friends. May the days ahead bring peace, happiness, and—hopefully—plenty of sunshine!

We look forward to welcoming our children back on Tuesday, 22nd April, refreshed and ready for an exciting summer term ahead.

Wishing you a blessed and happy Easter.

Promoting Attendance at St. Andrew's School

Current Attendance Overview:

To keep you informed, we have included a chart below, displaying our overall attendance percentage and a breakdown by class. This transparency allows us to collectively work towards our attendance target and celebrate our successes along the way.

Lateness

We're delighted to share that lateness has almost halved this week! This is a fantastic achievement, and we want to thank all our families for their efforts in ensuring children arrive on time, ready to learn. Your support makes a real difference—let's keep up the great work!

| House | Nos of Lates | |
|--------------|--------------|--------------|
| | W/C 31/03/25 | W/C 24/03/25 |
| Blackwell | 8 | 5 |
| Foley | 4 | 16 |
| Macmillan | 5 | 10 |
| Reed | 7 | 8 |
| Total | 24 | 42 |

Please remember that being late can lead to your child:

- Feeling embarrassed in front of their friends
- Missing the beginning of vital lessons making them fall behind
- Missing important instructions for the rest of the school day
- Learning bad habits which could affect their employability in the future

The impact of being just a little late can accumulate to a loss in learning time:

| Minutes late per day during the school year | Equals days worth of teaching lost in a year |
|---|--|
| 5 mins | 3.4 days |
| 10 mins | 6.9 days |
| 15 mins | 10.3 days |
| 20 mins | 13.8 days |
| 30 mins | 20.7 days |

Change of Numbers and email addresses

****Important****

If you have changed your telephone number or email address can you please let the school office know so that we can update our records. We need to have at least 3 contact numbers for your children in the event that we are unable to reach the main contacts.

Online safety

We can access new music and movies in seconds. We can get products delivered to our door the very next day. We can chat or play games with people on the other side of the planet. For all of the remarkable benefits the digital age has brought us, however, it's also presented us with a whole new raft of pressures and anxieties that, in truth, we're all still learning to cope with. From continual notifications inflaming a fear of missing out to the risk of public embarrassment or slanging matches on social media, today's children and young people have stresses to manage that previous generations simply never encountered. This week's guide examines these uniquely modern worries, highlighting ways to reduce the anxiety that digital devices can bring.
